

Solutions for Efficient Plastics Processing

**You are invited to attend
a FREE technical seminar!**

This FREE one-day seminar offers plastics processors detailed information on key topics of prime importance to the plastics industry.

Learn more about the future of efficient compounding technology and how to overcome challenges in compounding. What is more, we present innovative recycling solutions and the benefits of precise feeding and first in class material handling technologies. Our experts also tell you how to optimize your efficiency with complete plants and customized service offerings.

Of interest to general managers, production engineers, purchasing managers and all others involved in plastics processing.

October 22, 2024

Hear Presentations from the following Companies:

Coperion

Shape what matters for tomorrow™ – Guided by our Purpose, Coperion develops innovative solutions and products for various challenges in the plastics, plastics recycling, chemical, battery, food, pharmaceutical and mineral industries.

Coperion is a global industrial and technological company in the areas of compounding and extrusion systems, sorting, shredding and washing equipment, including conveying, mixing and feeding technology. In our three Divisions, Polymer, Food, Health & Nutrition as well as Aftermarket Sales & Service, Coperion employs 5,000 people at 50 locations worldwide striving to create the future of tomorrow.

Omya

Omya is a leading global producer of industrial minerals and a worldwide distributor of speciality materials. Founded in Switzerland in 1884 and privately owned, we employ 9,000 people across 170 locations in 50 countries. Omya provides added-value products and services from responsibly sourced materials to meet the needs of current and future generations

THINKING OF TOMORROW

The company purpose, “Making life better through our passion for minerals and chemistry” unites 9,000 employees around the world. From the scientists in our innovation labs to the engineers overseeing our production plants and the teams working with customers day in day out, we are always Thinking of Tomorrow and how we can improve life for current and future generations. This often means finding ways of helping our customers become more sustainable, by reducing their carbon footprint, optimizing their use of resources, minimizing waste, improving circularity or protecting the environment.

Solutions for Efficient Plastics Processing

Learn about exciting advances in these process technologies for today's demanding plastics processing applications:

Seminar Program:

- 9:00 Registration
- 9:30 Welcome
Hans-Peter Neuberger | Managing Director | Coperion Japan
- 9:45 New Omya Products to Address Challenges in Compounding
Ashish Bhatt | Head of Technical Service - Polymers | Omya
Khaiping Ooi | Director Market Development and Innovation Polymers | Omya
- 10:15 The Future of Efficient Compounding Technology: New Developments in Engineering Plastics, Biopolymers and Other Compounding Tasks
Oliver Beiser | Team Leader Sales | Coperion Stuttgart
- 10:45 Coperion Nanjing: Compounding Solutions for an Optimized Productivity
Gavin Wang | Sales Director | Coperion Nanjing
- 11:00 Coffee break
- 11:15 Innovations in Plastics Recycling
C.K. Kim | Sales Director | Infeed
- 11:45 Continuous Mixing of Battery Materials as Anode / Cathode / Battery Separator Film
Hans-Peter Neuberger | Managing Director | Coperion Japan
- 12:00 Latest Developments in Polyolefin Compounding
Clark Son | Senior Sales Engineer | Coperion South Korea
- 12:15 Lunch
- 13:15 Why Precise Feeding Saves a lot of Money: The Importance of Accurate Feeding for an Efficient Production Process
Sugumaran Kandasamy | Sales Director | Coperion Singapore
- 13:45 First-Class Handling for First-Class Products: Special Components in Material Handling Plants
Jonathan Tan Siew Hung | Regional Sales Manager | Coperion Singapore
- 14:15 Coffee break
- 14:30 Individual Plant Concepts and Customized Systems: Why an Efficient Plant is More Than Just the Sum of its Parts
Hans-Peter Neuberger | Managing Director | Coperion Japan
- 15:00 Coperion Service: 450 Partners Secure your Future
Hans-Peter Neuberger | Managing Director | Coperion Japan
- 15:30 Questions and Answers
- 16:00 Adjourn
